AL HAMRA
GREENS

A modern high-rise building with glass balconies and a city skyline in the background. The building is on the left, with several floors visible, each having a balcony with glass railings. Some balconies have people on them. The background shows a city skyline with several tall buildings under a sunset sky. The sun is low on the horizon, casting a warm glow over the scene. The foreground shows a road with cars and some greenery.

Facing RAK Central.
Connected to it all.

Live beside the city's emerging destination for work, play, and everyday living.

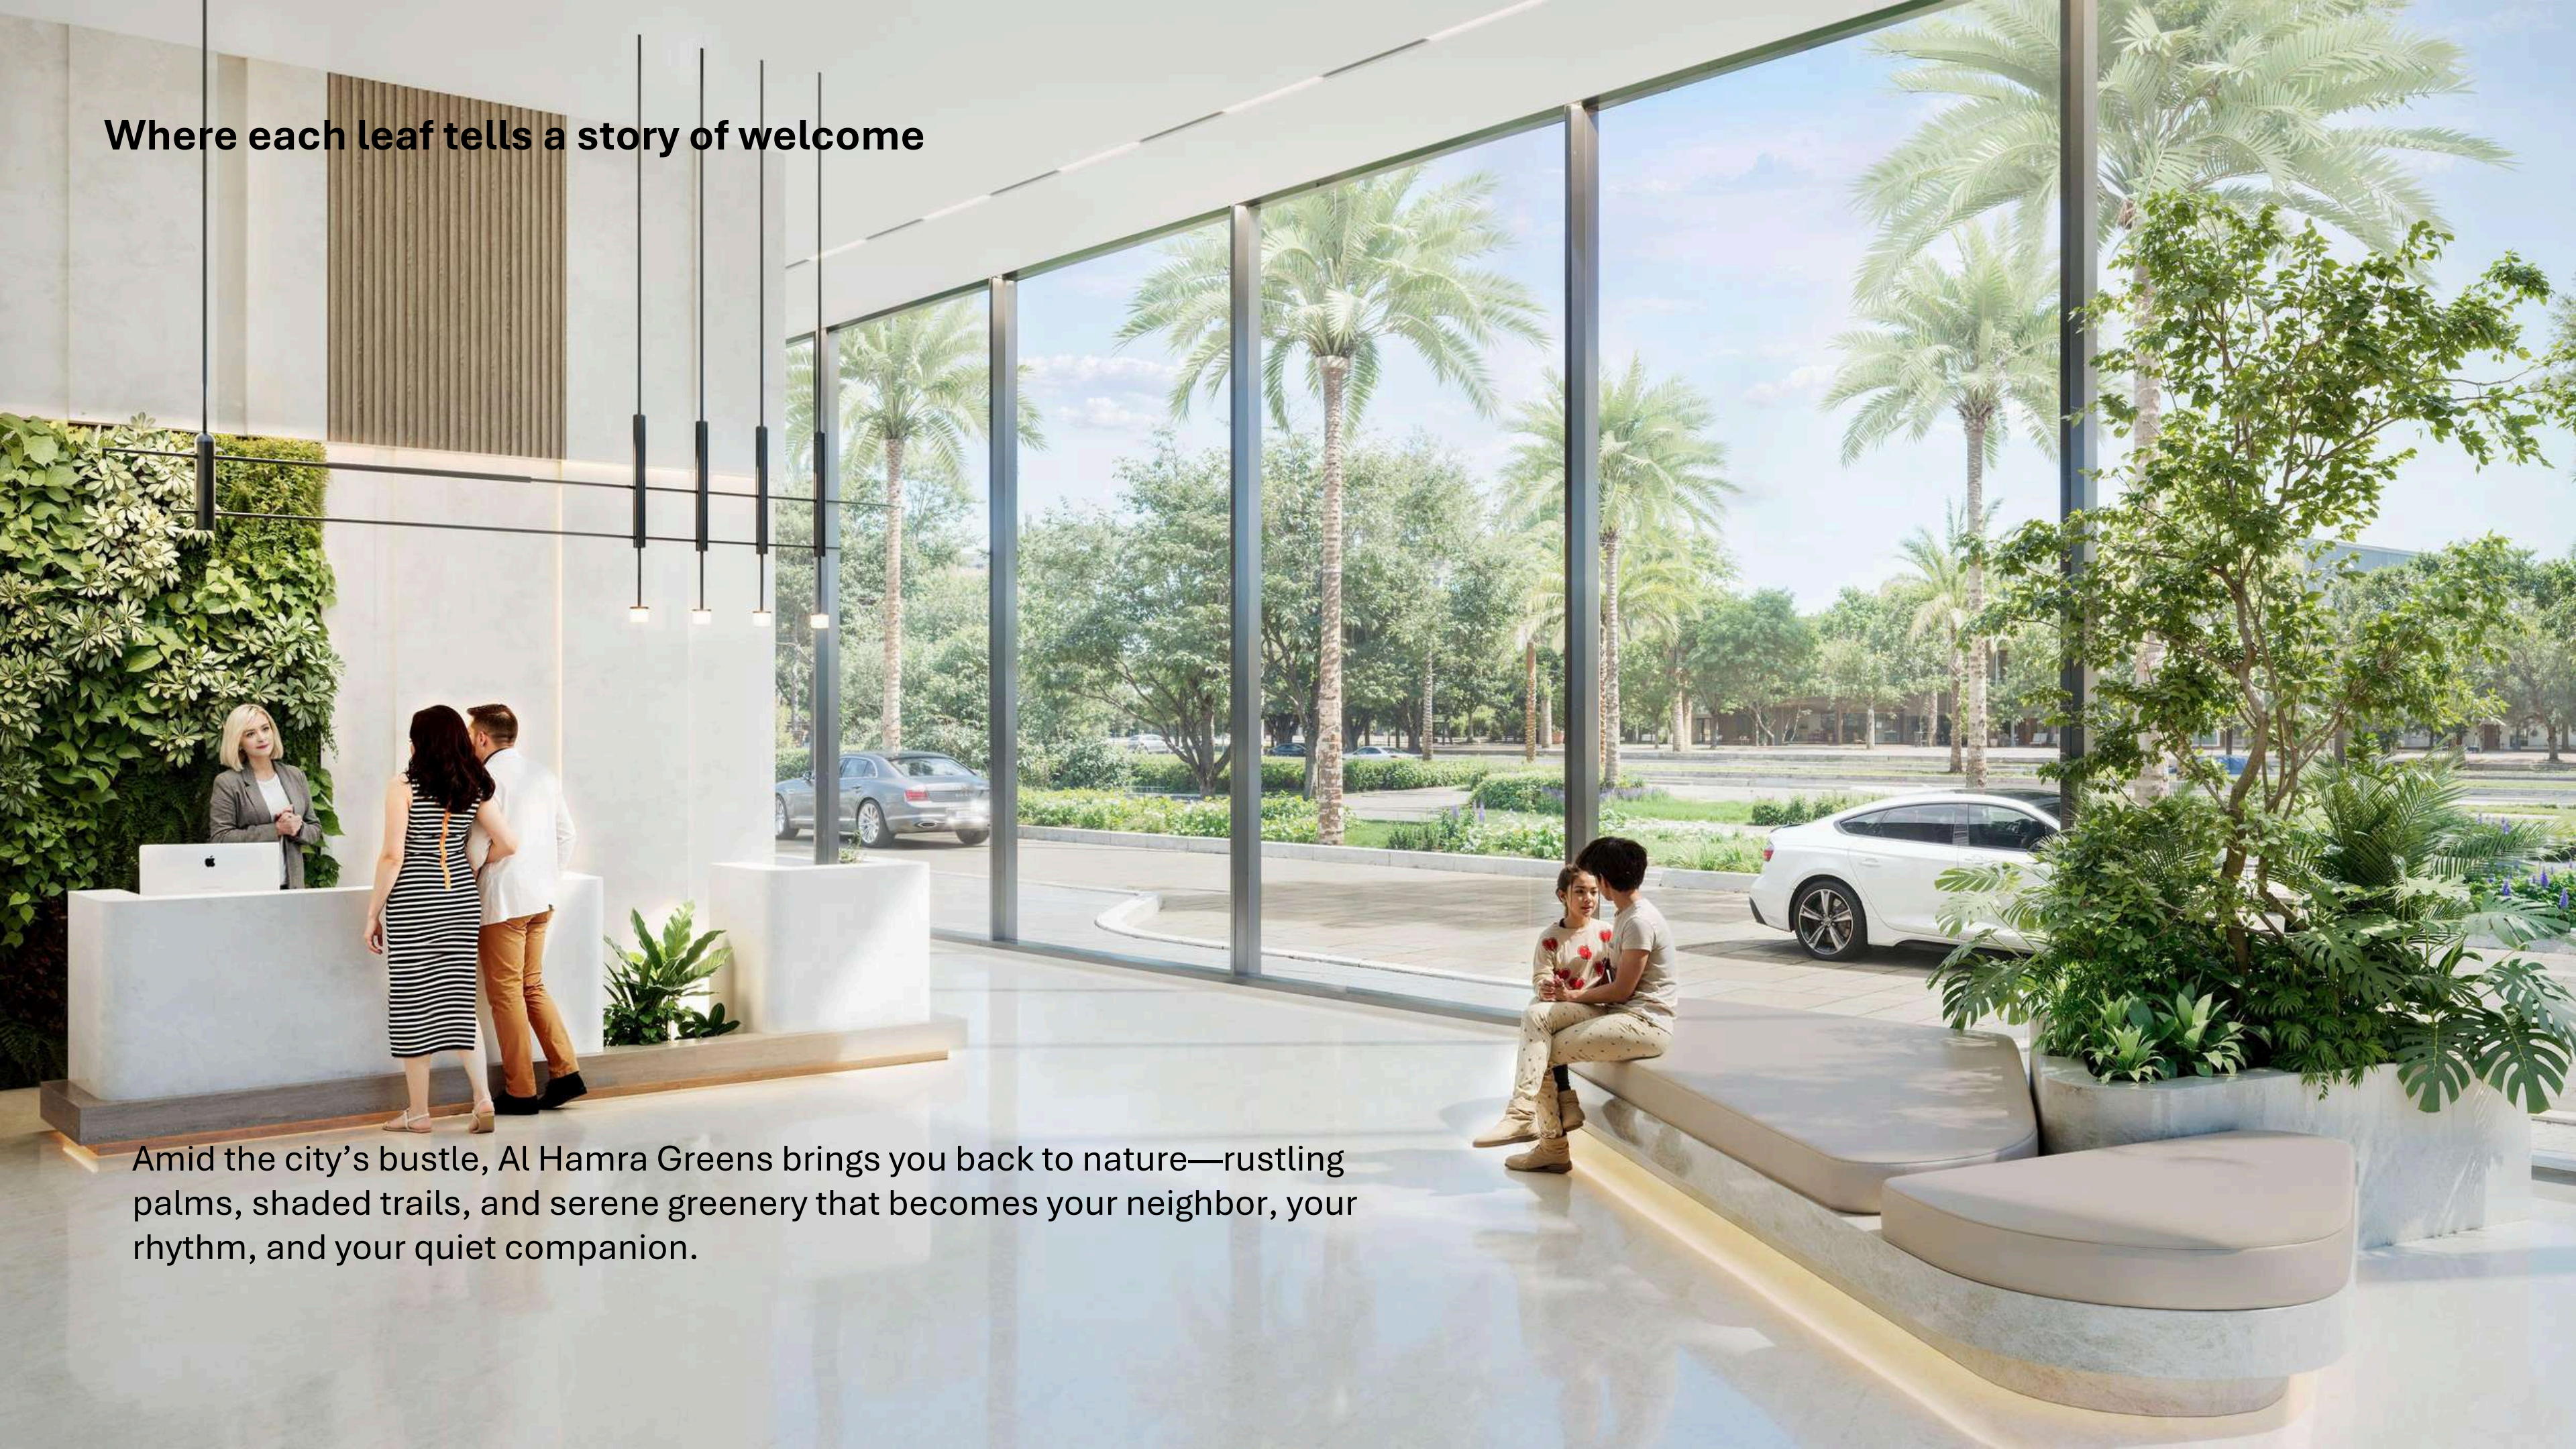

Perfectly positioned opposite RAK Central, Al Hamra Greens offers effortless access to Ras Al Khaimah's newest hub for urban living. From workspaces and retail to cafés and cultural spots, everything is just steps away. This modern community blends city convenience with private, contemporary residential comfort—delivering a lifestyle defined by balance, connectivity, and ease.

The balance of progress and harmony

Where each leaf tells a story of welcome

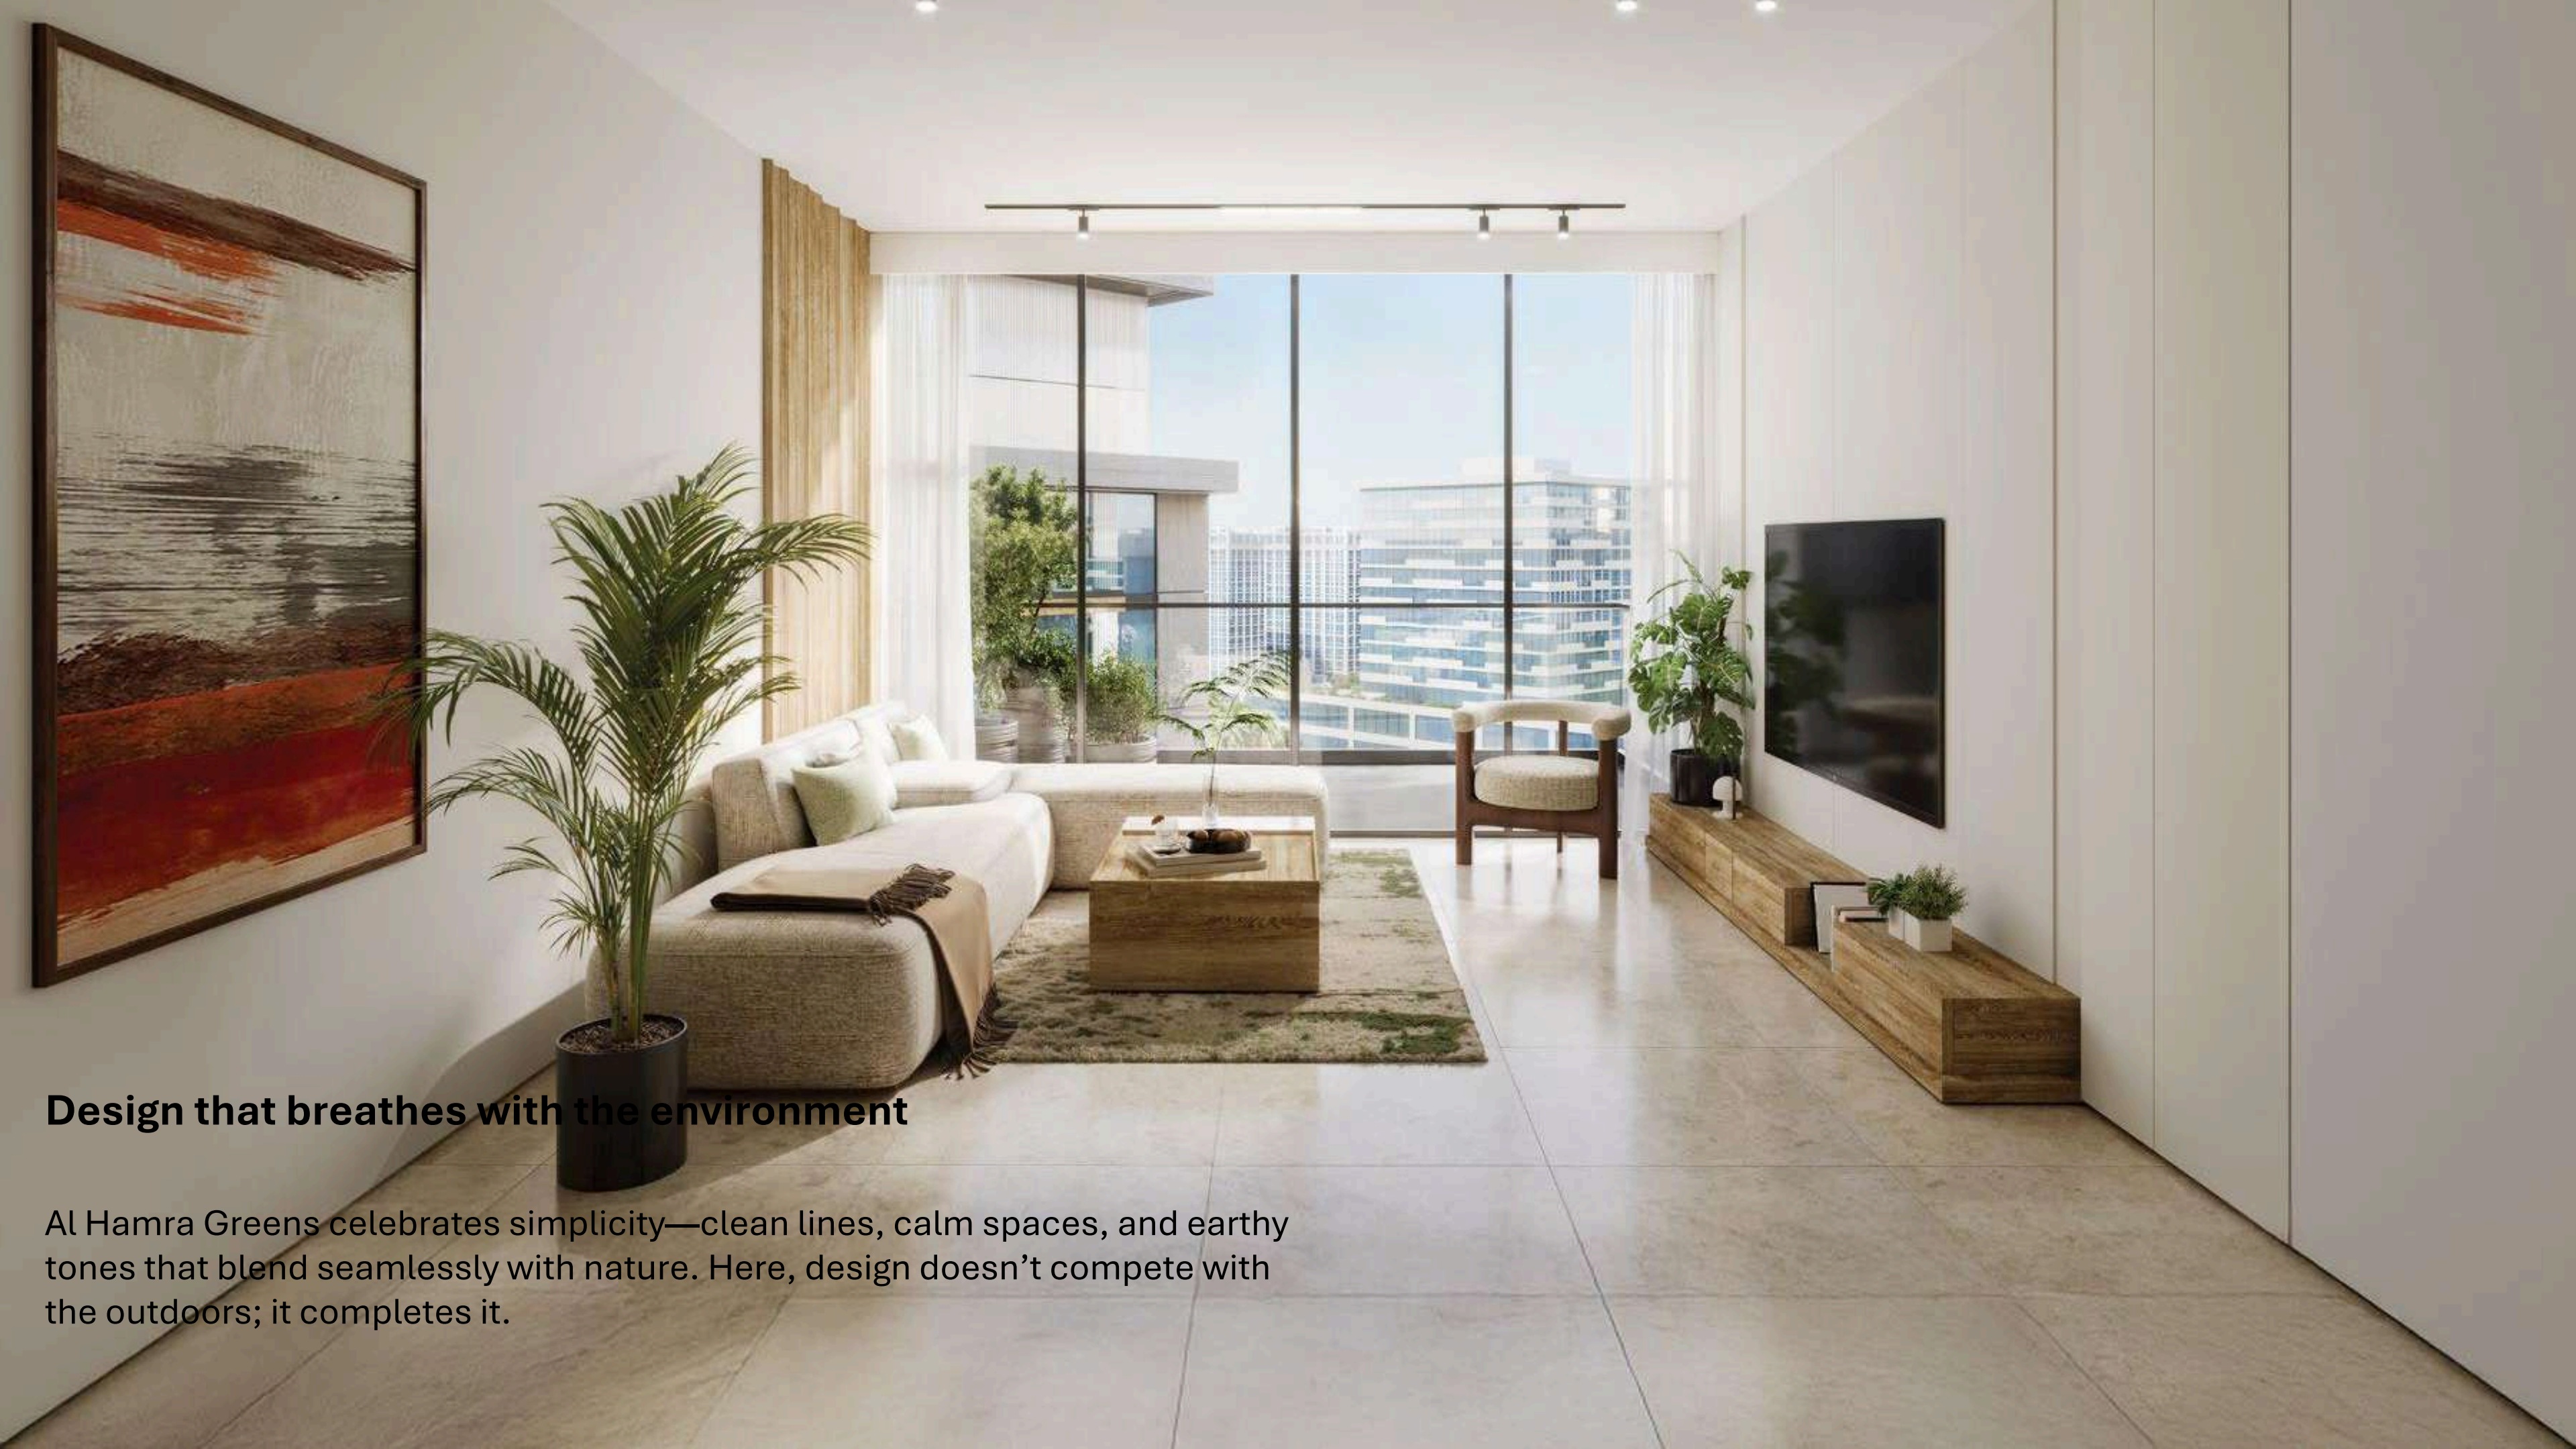

Amid the city's bustle, Al Hamra Greens brings you back to nature—rustling palms, shaded trails, and serene greenery that becomes your neighbor, your rhythm, and your quiet companion.

Where nature becomes part of your story

At Al Hamra Greens, greenery is by design—native trees, blooming corners, balcony gardens, and tranquil nooks. From sunrise courtyards to twilight groves, nature isn't just admired—it's lived.

Design that breathes with the environment

Al Hamra Greens celebrates simplicity—clean lines, calm spaces, and earthy tones that blend seamlessly with nature. Here, design doesn’t compete with the outdoors; it completes it.

A home for connection and self

A neighborhood where diversity thrives and every generation feels at home. Thoughtfully designed for quiet connections, Al Hamra Greens fosters a community where comfort, respect, and effortless belonging come naturally.

Distinct lives. United longing.

From dreamers to wanderers, artists to entrepreneurs, families to solo souls, Al Hamra Greens unites them all. Beneath quiet trees and open skies, everyone shares one desire: to reconnect—with life and with each other.

Designed for every way you live

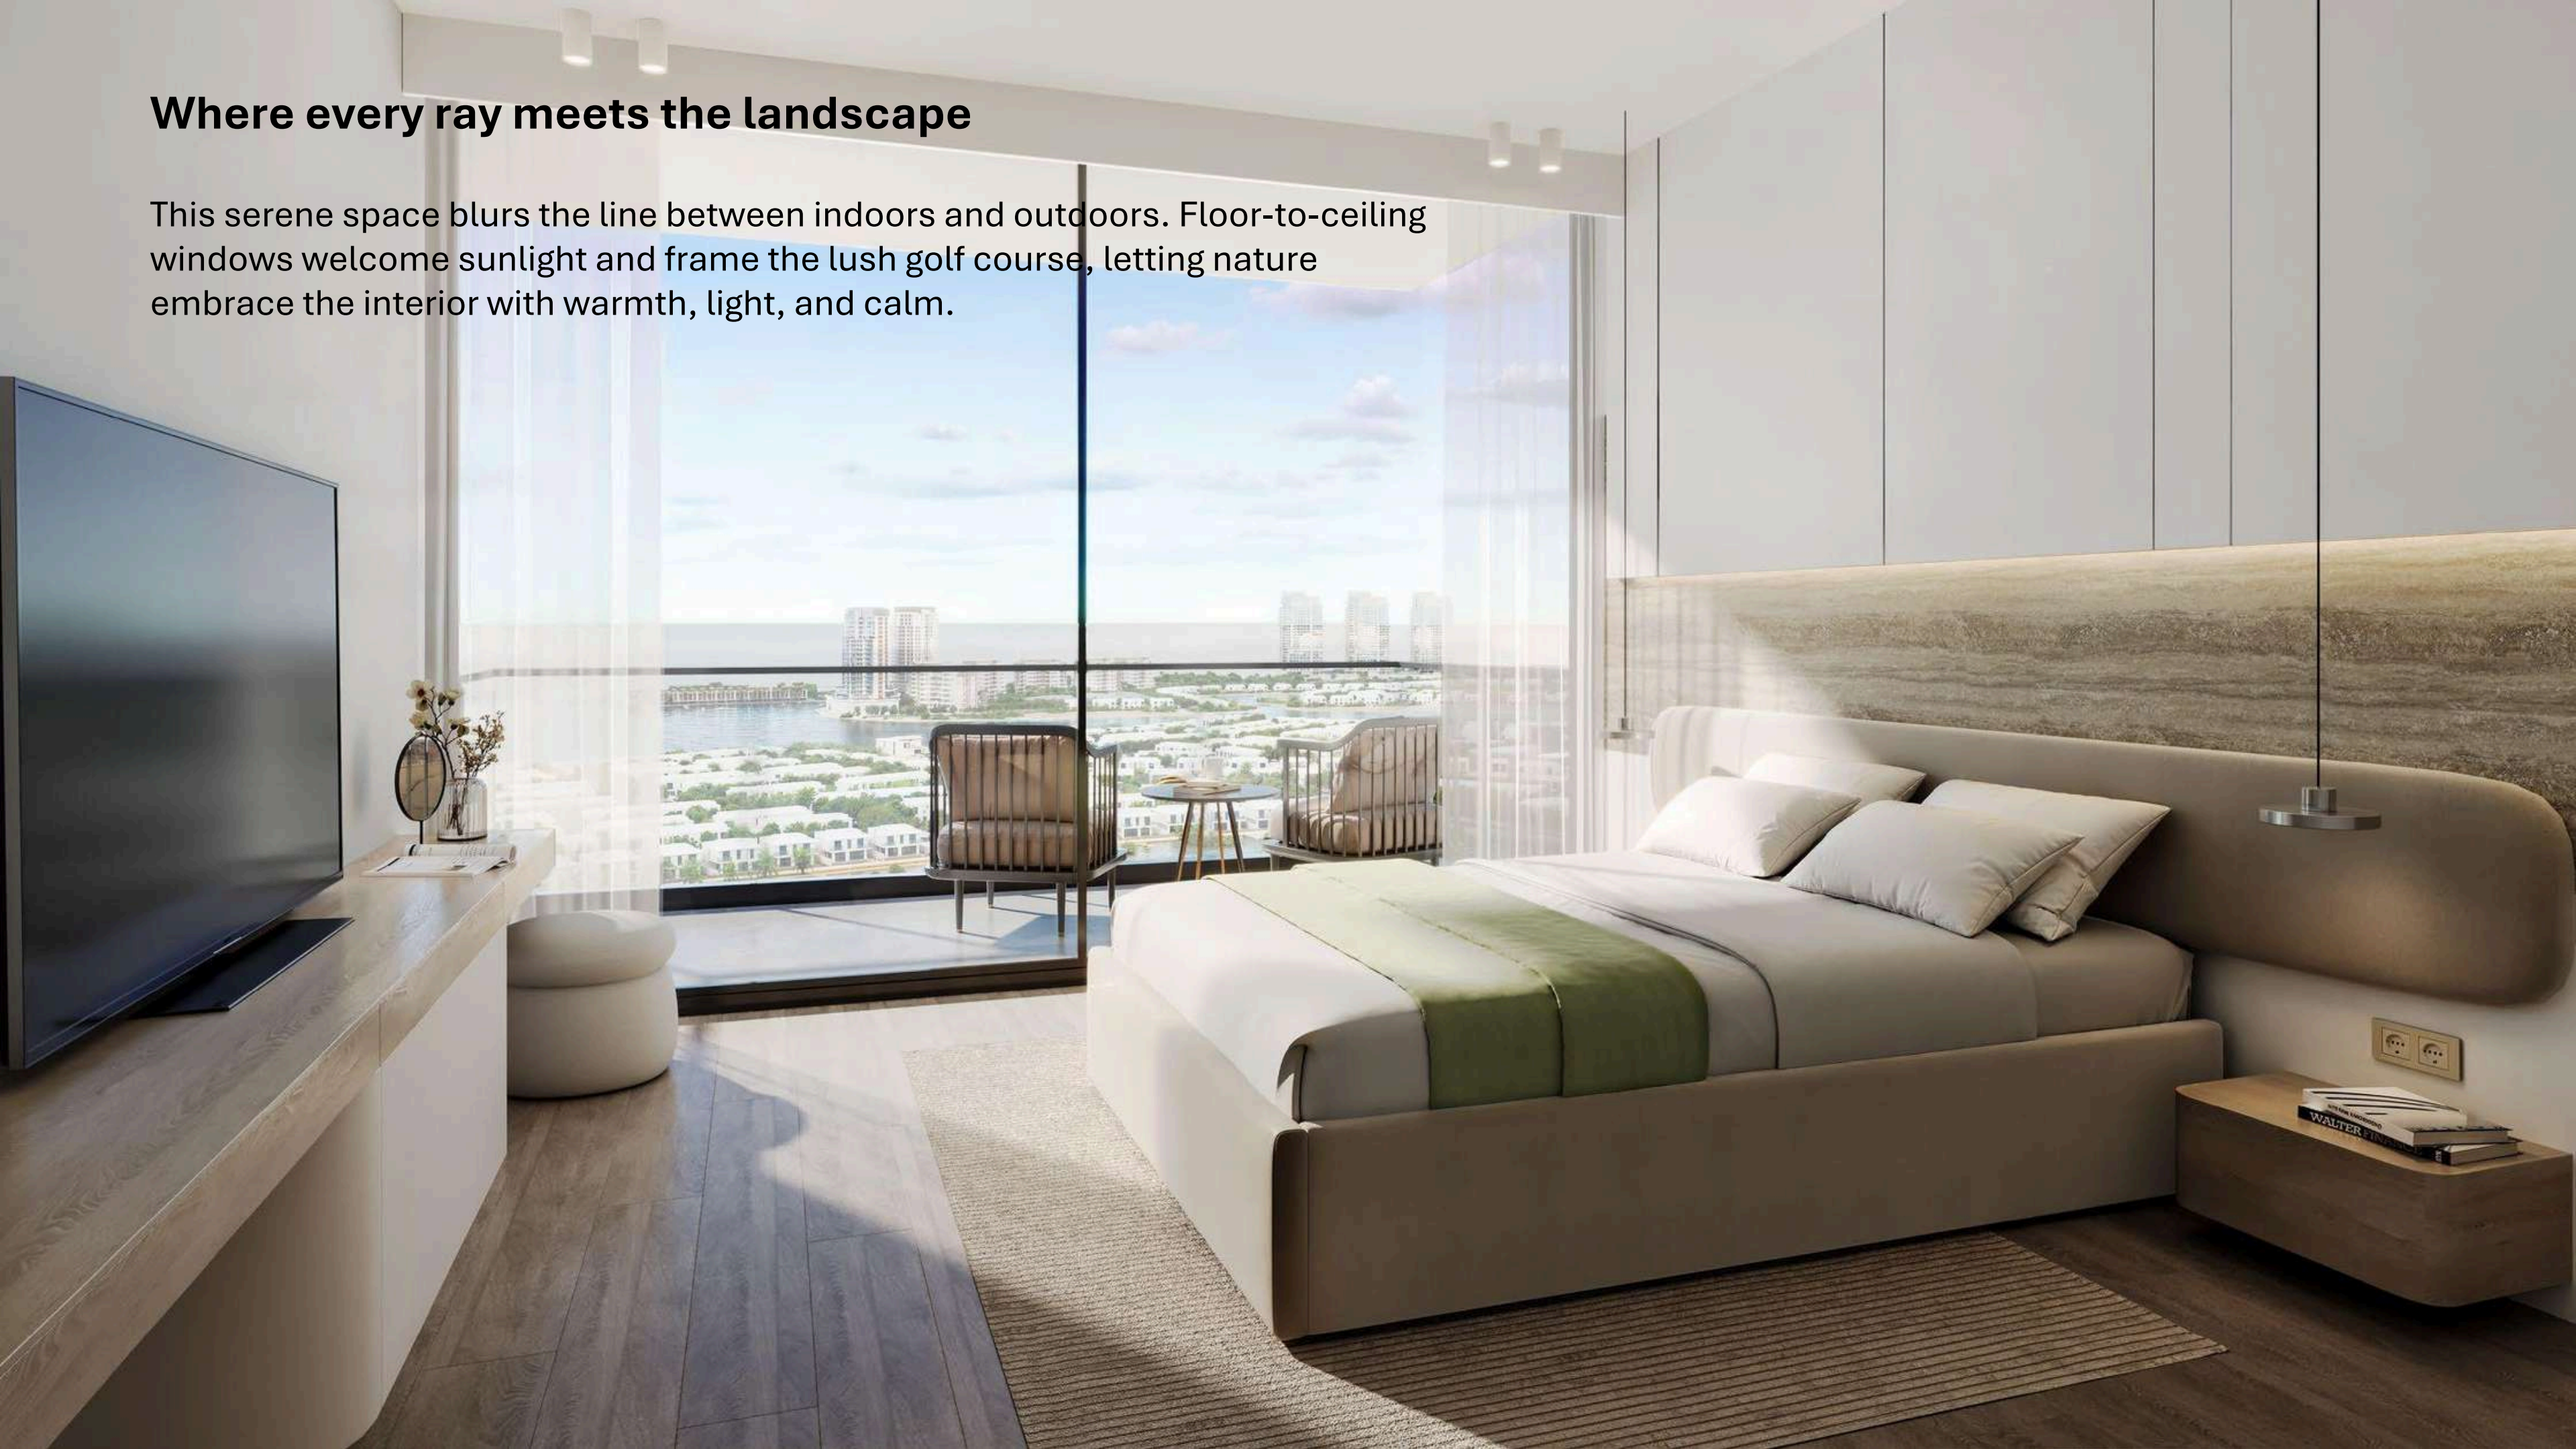

Choose from 1, 2, and 3-bedroom residences in thoughtfully designed mid- and high-rise buildings. Perfect for individuals, couples, and families, Al Hamra Greens offers a home for every stage of life.

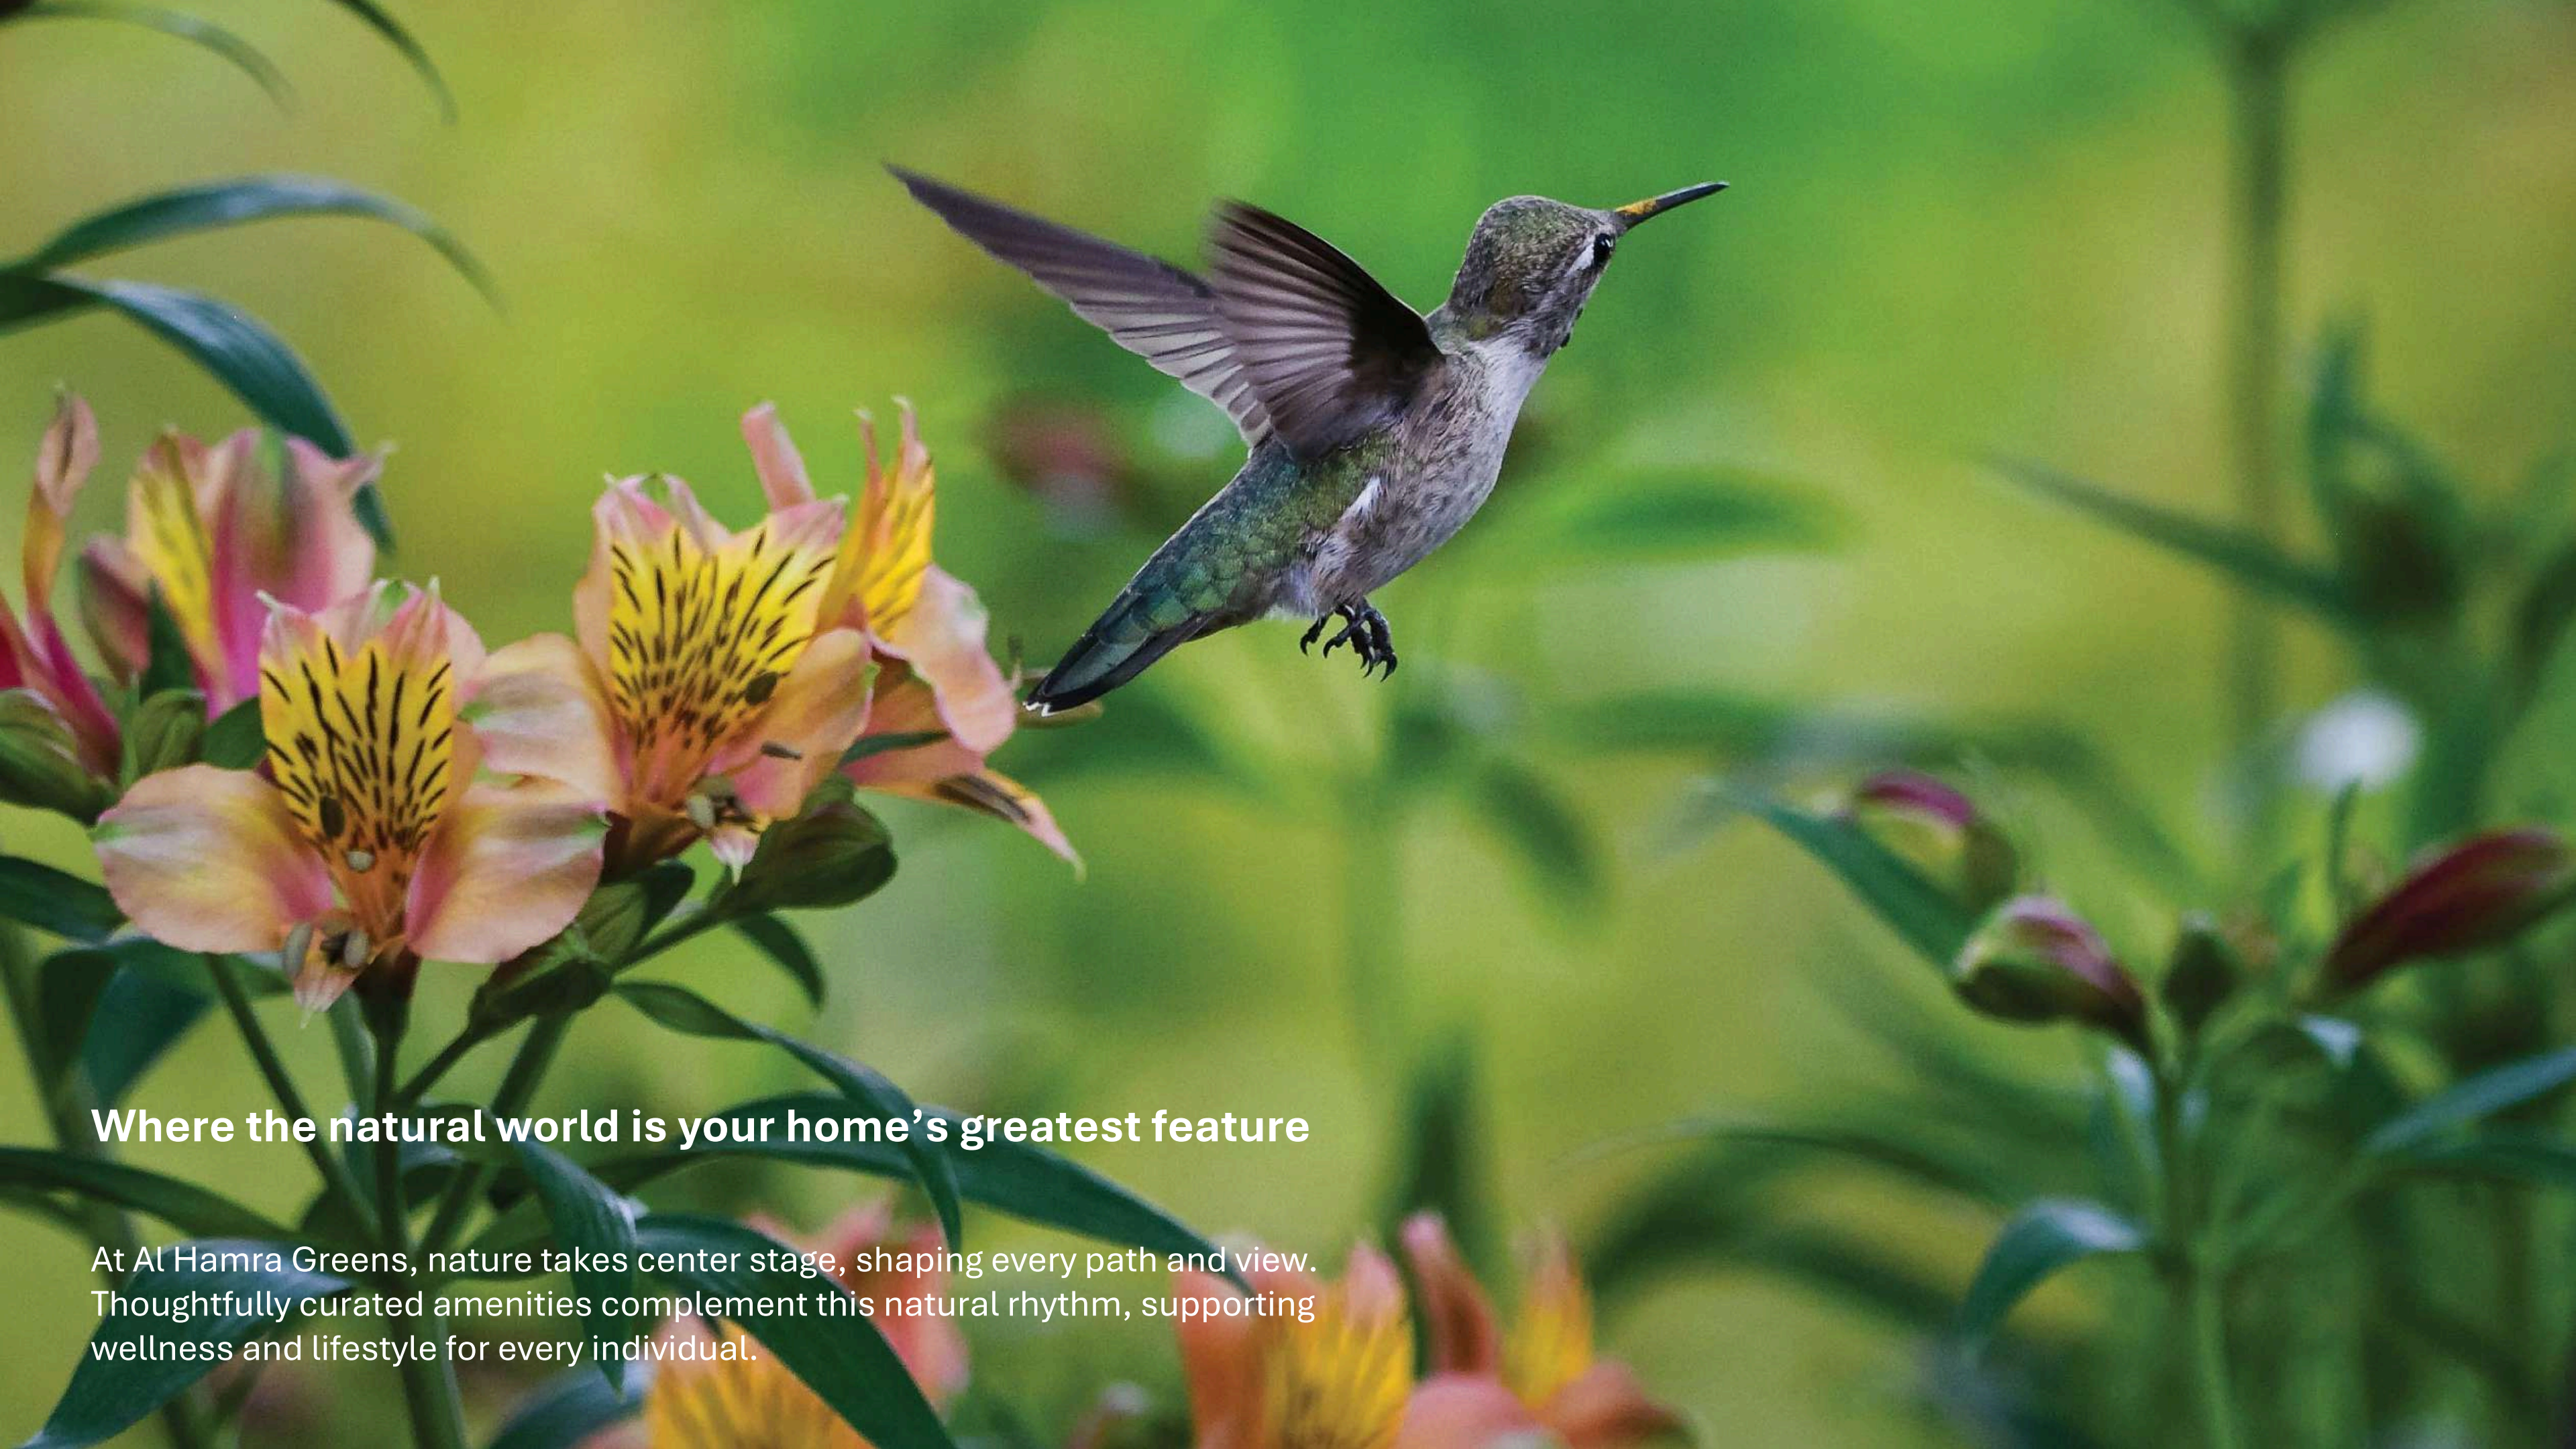

Where every ray meets the landscape

This serene space blurs the line between indoors and outdoors. Floor-to-ceiling windows welcome sunlight and frame the lush golf course, letting nature embrace the interior with warmth, light, and calm.

Where the natural world is your home's greatest feature

At Al Hamra Greens, nature takes center stage, shaping every path and view. Thoughtfully curated amenities complement this natural rhythm, supporting wellness and lifestyle for every individual.
